TO WHO IT MAY CONCERN

The Vanuatu Government, through its Citizenship Commission and Citizenship Office, notes that recently there are many unscrupulous agents spreading misleading information that the Place of Birth can be changed through applications of Vanuatu Development Support Program.

The Vanuatu Government, through its Citizenship Commission and Citizenship Office, wishes to inform all its Citizenship Designated Agents and persons interested in its following Citizenship Programs:

1. Citizenship Contribution Program.
2. Development Support Program.

That such activity is strictly forbidden and would subject to criminal prosecution if detected; the Vanuatu Government vows to use all the resources tracking down the culprits behind and urges the public to report to the Citizenship Commission and Citizenship Office if being approached with such offer.
